EDUCATION

IFTM University

Master of Computer Applications (MCA)

Moradabad, UP

Jun 2025 – Present

Teerthanker Mahaveer University

Bachelor of Science (Honours) in Computer Science — SGPA: 8.97

Moradabad, UP

Jun 2022 – Jun 2025

EXPERIENCE

3i Consulting Private Limited

Software Development Engineer I (SDE 1)

Noida, India

Sep 2025 – Present

- Architected and delivered a scalable enterprise Hotel Management System using FastAPI, React.js, and PostgreSQL.
- Engineered secure RESTful APIs integrated with JWT-based authentication and granular Role-Based Access Control (RBAC).
- Optimized database operations by profiling SQL transactions and managing schema migrations via SQLAlchemy ORM and Alembic.
- Participated actively in Agile sprints, conducting structured peer code reviews to maintain repository code quality.
- Tech Stack Used:** Python, FastAPI, React.js, Node.js, JavaScript, PostgreSQL, SQL, Jenkins, Docker

Xzect Private Limited

Web Development Intern

Remote

Jun 2024 – Aug 2024

- Engineered customer-facing web components, expanding standard inbound business traffic metrics through targeted portal adjustments.
- Collaborated with senior engineers to implement interactive dynamic user UI elements within active production repositories.
- Tech Stack Used:** Python, FastAPI, JavaScript, React.js, PostgreSQL

PROJECTS

E-Commerce Platform Solutions | React.js, FastAPI, PostgreSQL, Jenkins

Nov 2025

- Developed a full-stack, responsive e-commerce web application with real-time inventory management, dynamic filtering, and an administrative dashboard.

Geolocation Weather Analytics App | HTML5, CSS3, JavaScript, React.js, Node.js, FastAPI

Jun 2024

- Built a low-latency responsive application utilizing geolocation web APIs to feed real-time atmospheric tracking information directly to end users.

SKILLS

Programming Skills: Python, Core Java, JavaScript, HTML, CSS, CI/CD pipelines, DevOps Principles, Docker

Frameworks: React.js, Node.js, FastAPI, SQLAlchemy, Alembic Migration, JWT Authentication

CS Fundamentals: Data Structures, Object-Oriented Programming (OOP), DBMS, Operating Systems

Others / Tools: VS Code, GitHub Actions, Postman, Git Version Control, SQLite, PostgreSQL

EXTRACURRICULAR

Brain Manthan — Center for Training & Development (CTLTD), TMU

Moradabad, UP

Professional Development Attendee

2022

- Completed an advanced certified program focusing on neuro-linguistic memory enhancement, retention mapping, and task scheduling frameworks.
- Practiced target focus models to optimize technical execution metrics and sustain high productivity levels within tight timelines.
- Participated in intensive training covering memory techniques, focus improvement, creative thinking, and rapid learning methodologies.

ACHIEVEMENTS

- Earned a Gold Badge (**5-Star Recognition Profile**) for Java Problem Solving proficiency on HackerRank.
- Actively solved diverse algorithmic challenges across competitive global LeetCode technical contests.
- Completed institutional C Programming Certification verified by **IIT Bombay** via the Spoken Tutorial Initiative.
- Awarded formal Institutional Certificate of Encouragement during the "Brain Manthan" professional track.
